Dear [REDACTED]

We would like to share with you the customer satisfaction score that your company achieved in 2022.

Please refer to the attached document for details on the score achieved, [REDACTED] expectations and upcoming steps.

Best regards,
Supplier Quality Development Team

Attached docx file

In the last year, **78** % of our suppliers achieved a score at least 80, joining the group of the [REDACTED] best suppliers. We would like to provide you with information on your company's performance in 2022 in terms of product quality and on-time delivery:

Process indicator	Result	Score	Score impact
Supplier parts per million (ppm)	493	30	30 points if less than 500 ppm
Number of high impact claims	1	0	30 points if no high impact claim
Number of claims	12	0	20 points if less than 5 claims
On-time delivery	12%	0	20 points if at least 95%

Your customer satisfaction score is 30.
